Smokefree Community Policies
Tracking Tool

The purpose of this tool is to collect information about new or existing policies that promote tobacco-free norms and protect individuals from secondhand smoke exposure.

The information you provide will be shared to promote development and enforcement of policies in local communities, including existing statewide policies such as Youth Access (prohibits sale of tobacco and possession of tobacco by youth) and the Clean Indoor Air Act.

1.   **Intention of Policy or Resolution: (select all that apply)**
   A.   Reduce youth possession of tobacco
